Program Outlines

All programs offered by DuVall’s School of Cosmetology follow similar procedures in that the same instructional methods apply and the same grading procedures are followed for each program. All instruction and printed materials are presented in English. Those policies are stated here and considered to be an integral part of each of the program outlines contained in this section of the catalog. Each program will be divided into three levels of training as follows:

	Discovery	Skills	Creative
Cosmetology	0-350 Hrs	350-945 Hrs	946-1500 Hrs
Esthetics	0-105 Hrs	106-450 Hrs	451-750 Hrs
Instructor 750	0-300 Hrs	301-525 Hrs	526-750 Hrs

Discovery: In the introductory level of training, Students will focus on learning the underlying theory and the basic skills for providing client services. In addition, Students will identify short-term and long-term career goals and begin development of an action plan for achievement of those goals. The education is provided through interactive lecture, demonstration, technology, and hands-on practice. Discovery students will be advanced to Skills if they are meeting the following criteria:

- Student has passed all required test
- Student has completed all applications

Students not meeting requirements at the scheduled time may test but will be placed on Probation, during which time they must meet specified attendance and academic requirements. The academic staff will evaluate the student’s knowledge and skill level and prescribe an individualized academic plan for the student. Students will attend Skills theory but while on the clinic floor they will work on their individualized academic plan which may include book learning, manikin applications, and client applications (if the student has accomplished at least 10% of their program hours), etc.

Skills: During this vital level of training, Students will develop and customize their skills to meet the needs of clients. They will perform skills in the client service center and become increasingly self-confident and proficient in their communication, consultation, and technical skills. The education is provided through interactive lecture, demonstration, technology, guest speakers, and hands-on practice. Skills students will be advanced to Creative if they are meeting the following criteria.

- Student has achieved the appropriate number of hours to progress to the next level
- Students has passed all required test

Students who are not meeting the requirements in the beginning of the appropriate week will not be advanced until they have met the standards.

Creative: In this level of training, Students will master the creative skills necessary for success in the workplace and learn key business skills needed to be successful Salon and Spa Professionals. During this Level, Students will learn systems that top professionals are using to attract clients, increase sales, and grow their personal income. Successful completion of Creative will prepare them for immediate success and will dramatically improve their opportunities for employment upon graduation. Students will also focus on state board preparation, professional development, and career placement. The education is provided through interactive lecture, demonstration, technology, guest speakers, hands-on practice, and competency skills evaluation.

Alumni: Graduates begin an important relationship with the DSC as Alumni. They will provide documentation of licensure and employment in their chosen field. They will begin the achievement of the goals established in Discovery while enjoying success in an exciting career in the Salon or Spa environment.

GRADING PROCEDURES: Students are assigned theory study and a minimum number of practical experiences.

- Practical assignments are evaluated as completed and counted toward program completion ONLY when rated as satisfactory. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Three comprehensive practical skills evaluations using detailed criteria will be conducted during the program of study and rated on a 100% scale (see Test Outs below) Practical skills are evaluated according to text procedures, performance standards established by the state licensing agency, and set forth in practical skills evaluation criteria adopted by the school.
- Theory is evaluated after each unit of study (chapter tests). Students must make up failed or missed tests and incomplete assignments. Students must maintain a 75% theory grade average. Students who do not obtain a satisfactory score are required to re-take the test on another version of the test for that subject to obtain a satisfactory or better score. Students who miss a test due to absence receive a 0% grade. All students are encouraged to make up a failed or missed test within two weeks, but the school acknowledges that the student does have until course completion to ensure that all requirements are met.
- Students will complete three* major tests outs simulating the state board test for licensure. It is the student's responsibility to pack the test out kit, obtain a model, and be present at the scheduled time. The student will be notified a minimum of one week in advance of the test out date. If a student is absent or chooses not to test out on the date scheduled, they will receive a 0% on both Practical and Written sections and may not be on campus or clock hours that day. If the student is not present for the test out, or fails the test, they will be placed on a waiting list for the next available test opportunity. If the school must arrange an unscheduled Practical test opportunity to accommodate a candidate for graduation who failed or missed a Practical test out, the student will be charged a \$30 test out fee, payable prior to testing.

*students who successfully pass the Written PSI exam for licensure prior to the third test out are exempt from the Written portion of the Creative Test Out.

Numerical grades are considered according to the following scale:

WRITTEN and PRACTIAL TEST

LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. An LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. Students must request a Leave of Absence in writing stating the reason for the leave and submit it to the Financial Aid Director for approval. If approved, the official leave will extend the current contract end date and maximum time frame calculated for Satisfactory Academic Progress by the same number of calendar days designated in the leave document or days actually used by the student. No re-entry fee will be charged if the student returns to class on or before the first class day scheduled after the competition date of the Leave of Absence

A maximum of 3 Leave of Absences will be granted in any 12 month period. The minimum Leave of Absence will be 6 calendar weeks. The total number of days for the combined LOAs may not exceed 180 days in any 12 month period.

A Leave of Absence may be requested and will only be granted for the following criteria:

- Medical issues and circumstances meeting criteria covered under FMLA (Family & Medical Leave Act of 1993 etc.)
- Required extended Court Appearances or Jury Duty
- Institutionalization of the student
- Military Deployment
- Bereavement for the following relationships only - spouse, parent, step-parent, child, step-child
- Financial stress resulting in inability to meet tuition or over-contract responsibilities

Complete and specific verifiable documentation supporting the reason and the time frame requested must be submitted at the time of the request. The Financial Aid Director will approve LOAs for the above reasons with a reasonable timeframe. Any other need for absence is expected to be covered by the approximately 10% additional hours allowed for "normal absences" referred to on the enrollment agreement. Students are cautioned to use this time wisely and save it for emergencies that arise.

The school may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the request is made and required documentation provided within 10 days of the first day of absence. The beginning date of the approved LOA would be the first date the student was unable to attend because of the unforeseen circumstance.

If the student is a Title IV loan recipient, the student will be informed of the effects that failure to return from a leave may have on their loan repayment terms, including the expiration of the student's grace period.

The student may request an adjustment of the scheduled return date in writing to the Financial Aid Director. Verifiable documentation may be required. If approved, the Financial Aid Director will adjust the scheduled return date by the number of days of the extension or early return requested.

Upon the student's return, the student must check-in with the Financial Aid Director before returning to class. A contract addendum will be completed upon return from the LOA to extend the ending date by the applicable number of days. A student who has been granted an LOA will be considered withdrawn if her/she does not return within 10 days of the scheduled return date of the LOA. The student's maximum time frame will be extended by the number of days in the Leave.

- Complete all required exit paperwork and attend an exit interview;
- Satisfy all debts owed to the school or make satisfactory arrangements for debts to the school as approved by the Director of Finance or Director.

Withdrawal requirements above must be met, before an official or unofficial transcript will be released to the student or other institutions. If all withdrawal requirements are met, a certified Final Transcript of Hours will be available to the student for a fee of \$10.00.

TRANSFER POLICY

Students wishing to transfer to DuVall's School of Cosmetology will be required to clock a minimum of 500 hours in the Cosmetology program, 400 in the Esthetics program, or 500 in the Instructor program. The school will evaluate the Student's skills to determine what level that he/she will be required to enter. The school may recognize credit for all or part of the applicant's previous training or work experience provided it is recognized by the Texas Department of Licensing and Regulation. Transfer Students must comply with the class level assigned as a result of the skills evaluation.

In addition, such Students must meet all regular entrance and registration requirements. If approved for enrollment, or approved on probationary terms, tuition plus the applicable registration and permit fees will be calculated. All transfer and re-entry Students must be properly registered with the state regulatory agency. Student Applicants should submit available transcripts from all previous Cosmetology school that shows subjects completed cumulative attendance average, grade point average and practical applications completed prior to evaluation for credit for previous training. An Education Manager or designee will review previous hours and any transcripts submitted, and conduct a practical evaluation to form a recommendation regarding acceptance of transfer hours. The Education Manager and School Director will determine the amount of transfer hours the school will receive. Credit for previous training must be requested before a student begins school. Student will not be granted credit for previous training after commencement has begun.

Any current student who request to transfer from one program to another, may do so by making a request to the School Director or Director of Admissions. The student will be advised regarding the amount of hours that are allowed to be transferred, financial repercussions, and timing of the transition. If approved, the withdrawal calculation from the current program will be adjusted to charge for the scheduled hours only through the end of the day of the last day of attendance in that program. The student will be required to complete all admissions and financial paperwork required for the new program, pay the Registration and permit fee for the new program if applicable, and make satisfactory arrangements for any balance due from the previous program. The school will request TDLR to transfer the number of applicable hours to the student's new program.

RE-ENTRY POLICY

Former Students of DuVall's School of Cosmetology who have withdrawn or dropped and wish to re-enter, must request approval from the School Director. The request will be reviewed and a decision made within 21 days of the request. A student may be accepted for re-entry on probation with specified criteria required. A reentry request will be denied if the SAP calculation

concludes that the student cannot accomplish the remaining program hours within the maximum time frame (based on the student's former and projected scheduled hours). A student will reenter in the same SAP status they earned at the time of his or her withdrawal. All reentering students will be charged a \$50 Reentry Fee. Students who have withdrawn or have been terminated twice within the first 50% of the program may not be considered for re-enrollment. If student has withdrawn or has been terminated after completing 50% of the course, the student will be allowed to re-enter any time during the forty-eight (48) month period following the date of withdrawal or termination. However, students who have been terminated may be required to wait 30 days. Any Re-entering Student may be accepted for Re-entry on probationary terms.

- Students reentering within 180 days of their Last Day of Attendance shall retain the same contract they previously signed. An addendum to the prior Enrollment Agreement will be completed, adjusting the Contract End Date to include the appropriate amount of scheduled hours, and any other applicable changes.
- Students reentering after 180 days of their Last Day of Attendance will enter into a new Enrollment Agreement, subject to all changes that have been made since their prior enrollment. The Contract Period will be calculated by adding 10% of schedule hours needs to complete to contract end date. The total hours allowed for Maximum Time Frame includes scheduled hours in all enrollments. Tuition will be calculated for the remaining hours at the current rate. The school will evaluate prior period charges and may, in a case by case basis, authorize a portion of the charge to be written off upon graduation to reflect a fair and equitable overall program charge.

If kits and books were turned in to the school at the time of withdrawal, the school will provide an adequate replacement (may be used but in good condition). The student must produce or purchase any kit items that were not turned in at the time of withdrawal.

REFUND POLICY REGARDING TUITION CHARGES

Pursuant to Chapter 1602 of the Texas Occupations Code, a fair and equitable settlement will apply for applicants who cancel enrollment or students who withdraw or are terminated from their course of training before completion. Applicants not accepted by the school shall be refunded all monies paid to the school. If student (or in the case of a student under legal age, his/her parent or guardian) cancels the enrollment in writing within three business days of signing the enrollment agreement, all monies collected by the school will be refunded, even if the student has begun classes. The date the school determined the applicant or student's change in enrollment status will be the postmark date on written notification, the date said notification is delivered to the school in person, the date the school terminates the student, or 10 school days after the last day of attendance or the expiration date of an approved leave of absence.

If a student cancels the enrollment more than three business days after signing the contract but prior to starting classes, a refund of all monies paid to the school less the registration fee in the amount of \$50 will be made. A student who enrolls and begins classes but withdraws from or is terminated from the course of training before completion of the course, the following schedule of tuition earned by the school applies:

Percent of scheduled course time	Refund of total tuition due student
0 .01 - 10%	90% refund
10.01 - 20%	80% refund
20.01 - 25%	75% refund
25.01 - 50%	50% refund
Over 50%	No refund

Any monies due the applicant or student shall be refunded within 30 days of the determination date as defined above. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. The school does not participate in any teach-out plans with other institutions.

This refund policy applies to tuition, book/ kit and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (ie extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal.

RETURN OF TITLE IV CALCULATION

Students who receive Federal Title IV aid (Pell, SEOG, Subsidized Stafford Loan, Unsubsidized Stafford Loan or Parent PLUS Loan) and withdraw from school are subject to the Return of Title IV aid regulations. Federal law requires that a student must "earn" the aid that they receive. When a student withdraws from school, the school is required to determine the amount "earned" using the Title IV regulations. This calculation is based on the number of scheduled hours the student attended divided by the number of hours for which the aid was disbursed.

The school is required to calculate how much federal aid may be retained or disbursed for a student who withdraws prior to the end of a payment period. The calculated amount is referred to as "Return of Title IV Funds" (R2T4). The calculation of Title IV funds earned by the student has no relationship to the student's tuition and fees that may be owed to the academy. Students that are no longer attending the school may still owe funds to the school to cover unpaid tuition. All students subject to this policy are determined according to the following definitions and procedures, as prescribed by regulation.

R2T4 calculation steps:

Calculate the percentage of aid earned by the student

97 scheduled hours completed / 450 scheduled hours in the payment period = 21.6%

Calculate the dollar amount of aid earned by the student

21.6% of \$3732 = \$806.11

If this amount is greater than the total aid disbursed for the payment period, a Post-Withdrawal Disbursement will be calculated; if the amount is less than the amount of aid disbursed, the difference will be returned to the Department of Education.

If the student completes more than 60% of the hours in the payment period, it is determined that 100% of the Title IV funds the student received have been earned and the school will determine if the student is eligible for the post-withdrawal disbursement. If a student completes less than 60% of hours in a given pay period, the earned and unearned portion will be calculated. The school is allowed 45 days from the date the school determines the student withdrew to return to the FSA program any unearned funds for which it is responsible. The school will notify the student in writing of the amount of funds that have been returned. In accordance with federal regulations, the calculated amount of the R2T4 refund is allocated in the following order:

- Unsubsidized Direct Loans
- Subsidized Direct Loan
- Direct PLUS Loans
- Federal Pell Grants

If a student earned more aid than was disbursed to him/her, the institution may owe the student a post-withdrawal disbursement. The student will receive written notification of eligibility of Post Withdrawal Disbursement from the school within 30 days of the determination date. A post withdrawal disbursement of Federal grant funds must be paid within 45 days of the determination date and does not require student acceptance or approval and may be applied directly to the student's account in order to satisfy tuition and fees, or to the student. A post withdrawal disbursement of Federal loans must be paid within 90 days of the determination date. The borrower may confirm in writing within 14 days acceptance of all or part of the loan funds offered as a post withdrawal disbursement. If the borrower declines or does not respond within the allotted time frame, the school will return any earned funds to the Department of Education.

GENERAL INFORMATION REGARDING WITHDRAWAL

For general information about the school students may contact the School's Director. For an example on how the calculation is determined for Title IV funds and other financial questions the student may contact the Financial Aid Office. The settlement calculation of final charges (addressing the refund of tuition charges) and the calculation of Title IV funds the student is eligible to retain on their account (return of Title IV calculation) are two separate calculations and may not be equivalent.

Withdrawals/Drops – Official vs. Unofficial:

To officially withdraw from the school, the student must initiate the withdrawal process by contacting the School Director. Termination of a student who is no longer attending is an unofficial withdrawal, whether it is by the student's voluntary choice or a dismissal by the school. In all cases, the last date of attendance will be used for the Withdrawal/Drop Record and Account Settlement Calculation as well as the R2T4 calculation.

Students absent ten (10) consecutive days with or without contact will be withdrawn from school. For reporting to governing agencies the student withdrawal/drop day definitions will apply:

- Determination Date – the date the student notified the school administration of their intent to terminate enrollment OR the date of the student's 10th consecutive school days absence OR the date the school administration determined to terminate the student's enrollment due to failure to obtain Satisfactory Academic Progress requirements, failure to provide payment either through cash payment methods or provision of documents required by the financial aid office, Disciplinary, or other reason.
- Last Date of Attendance – the date the student last recorded a complete in and out transaction on the time clock or field trip form.
- Processing Date – the date school administration processes transactions within the school or with governing agencies such as TDLR or DOE.

A student may rescind his or her official notification to withdraw by filling a written statement to the Director that he or she is continuing to participate in academically-related activities, and intends to complete the term (payment period) for which payment of Title IV fund would be received. The rescission of withdrawal is negated if the student subsequently ceases to attend prior to the end of the payment period. The withdrawal date then is the student's original date of withdrawal.

Failure to return from an LOA:

If a student does not return within 10 days of their scheduled date from a documented Leave of Absence, DuVall's School of Cosmetology will unofficially withdraw the student. The determination date will be the date the student notified the school of their intention not to return or the 10th day of absence after the scheduled return date. The last day of attendance will be the last day time was clocked prior to the LOA.

SCHOLARSHIPS

The school offers tuition discount scholarships at various times. When such a scholarship is available, all eligible candidates are invited to complete the application and supply any requested documentation. DuVall's School of Cosmetology Financial Aid offices actively pursues scholarship information which our students may be eligible for. Please check with the Director of Finance for information regarding any open or upcoming scholarships.

FINANCIAL ASSISTANCE

Program charges consist of Tuition, Kit/Books and a Registration Fee. The student is given a book and kit list and will sign for receipt of each item as it is issued throughout their course of study.

Specific costs for each course offered can be found on a dated addendum to the Catalog/Student Handbook. If an applicant has questions regarding financial aid or other consumer information, he/she may contact the school Director of Finance or the school Director during regular business hours.

Each course has been scheduled for completion within an allotted time frame. The school has reserved space, equipment, and licensed instructors for student training. If a student does not graduate within the contract period, additional training charges will apply. The additional charges must be paid prior to clocking any hours on the students last day of school. The over contract charges are specified on the enrollment agreement and in the catalog addendum.

The Student pays the school the tuition and fees for the program selected in advance. The school may, at its option and without notice, prevent the student from attending class until the applicable unpaid balance is satisfied. The student's tuition may be paid by cash, check, credit card, debit card, money order or through financial aid which is defined as assistance that the student has been or will be awarded from approved Federal or State Agencies, Instructional or other scholarship, grant or Institutional loan programs. Such programs may require approval of credit history and require a co-signer. For students who withdraw from enrollment prior to course completion, the institutional charges for the program will be adjusted based on the hour's elapsed (scheduled hours) beginning on the student's first day of attendance and ending on the student's last physical day of attendance.

The student and family of a dependent student may apply for Title IV funds by completing a Free Application for Federal Student Aid (FAFSA). The Financial Aid office will work with the student and the family to determine eligibility for grants and loans, prepare a Financial Aid Package, and assist with any requirements such as a Master Promissory Note. The EFC calculation done by the Department of Education CPS based upon the FAFSA will be used to determine the amount of Pell Grant and Subsidized Direct Loan (need-based) aid the student may be eligible to obtain. Unsubsidized Direct Loan and Direct Parent plus Loan (non-need based) may be available to complete the Financial Aid Package. Financial Aid will be calculated by the Academic Year (900 hours and 26 weeks), with disbursements scheduled for the beginning and midpoint of each Academic Year.

If the FAFSA is selected by verification by the Department of Education or the school, the school will inform the student regarding documents or forms needed. The Verification Worksheet provided by the school's Financial Aid office, along with any verification documents required by the Financial Aid Administrator or Director of Finance must be submitted to the school within 30 days. If the documentation is not submitted to the Financial Aid office within the 30 days, any funds that have been disbursed will be refunded and the student account will be termed "Self Pay", and satisfactory arrangements for the balance due must be made immediately.

Upon receipt of funds, the school will notify the student or parent (if funds are a Direct Plus loan) within 7 days of the receipt of funds. If there is a credit balance due to Title IV funds for the award year, the balance will be released to the student within 14 days of the receipt of Title IV funds creating the credit balance in the 2nd payment period of the award year. If the credit balance is due to non-Title IV funds, the balance will be released to the student within 30 days of the date the credit balance occurred.

RIGHT AND RESPONSIBILITIES OF STUDENTS RECEIVING LOANS - ENTRANCE AND EXIT COUNSELING

Any student receiving a Direct Loan will receive Entrance Interview information prior to the first disbursement. Exit Interviews will be conducted or information delivered upon withdrawal, graduation, or any time a student becomes enrolled less than half time. Both Entrance and Exit Interviews are conducted for the purpose of explaining the Rights and Responsibilities of the Borrower, including debt management tools and tax benefit information. Students are encouraged to develop a budget based on minimum salary requirements. All student loans may be placed in an in-school deferment status during the time the student is enrolled at least half-time. Other deferments and forbearance eligibility questions may be addressed with the funding source. For information regarding general financial assistance the borrower may contact the Director of Finance or Financial Aid Administrator.

ELECTRONIC DEVICE POLICY

Cell phones, iPods, iPads, etc are part of our everyday life and must be handled in a professional manner. The guidelines for use at school by students are specified below. As with all things, the instructor is in charge of the educational area, both classroom and clinic floor, so if an instructor requests something to be put away for any reason, including but not limited to the amount of time the student has spent on that activity, the student is expected to immediately comply. Failure to do so will result in progressive disciplinary measures.

STANDARDS OF CONDUCT

These Standards of Conduct are established for the specific purpose of promoting an enriched learning environment for all students, as well as providing outstanding customer service to DuVall's clients. Developing efficient work habits, a positive attitude and definite goal orientations during training will enhance your potential for success.

ALL STUDENTS MUST:

1. Attend all classes according to the assigned schedule including theory classes even if all required tests are completed.
2. Arrive for classes on time. If more than 7 minutes late for a theory class, a Student is considered tardy unless determined otherwise by the Director. The Students may not be allowed to clock in, attend class, enter the salon or spa training area, or media station until a scheduled class break or dismissal. Excessive tardiness could result in school suspension, probation, and progressive disciplinary action. In order to receive time for the day, students must clock in before:
 - Daytime schedule 1:00pm
 - Evening schedule 7:00pm
 - Saturday schedule 10:00am
3. Complete all assigned theory, practical and clinic assignments in the designated time frames including any assignments required to establish eligibility to retake failed exams or take missed exams. It is ultimately the student's responsibility to contact the instructor regarding makeup exams, however, the instructor may assign designated times for the student to work on completion of the exams.
4. Notify a staff member within 7 minutes of scheduled check in time of absenteeism or tardiness so that proper arrangements can be made to service clients that may be scheduled.
5. Follow time clock procedures by clocking in and out to accurately reflect hours in attendance including but not limited to:
 - Students must take a 60 min lunch break during their scheduled time (not multiple breaks equivalent to 30 min or early departure). Shorter lunch breaks may be approved by instructor.
 - 3 day students must take 2 30 minute breaks during their scheduled time
 - Student must be clocked out when entering the break room or exiting the building for any reason and for any amount of time.

 - No Student may clock in or out for others.
6. Obtain permission from a staff member to leave the facility for any reason other than assigned lunch time and closing. Documentation may be requested to verify the need for an absence. Students are expected to attend regular scheduled hours. It is imperative that students' attendance is reliable in order to enable timely program completion, accomplish thorough and complete training in all subjects, and ensure excellent customer service to DuVall's clients. Failure to comply will result in progressive discipline action.
7. Comply with scheduled lunch breaks. Scheduled lunch breaks may not be skipped in lieu of late arrival or early departure. Failure to return from lunch at the scheduled time is considered an attendance violation as discussed in the previous statement.
8. Students may NOT smoke, eat or drink or store food or drink other than in the designated areas. Only bottled water or water in a clear (not colored) covered container is allowed in the classroom or at the student station. When additives are added to the water, it is no longer water. Anything other than water in the approved container must be stored, eaten, or drunk in the designated break area and the student must clock out to eat or drink it.
9. Comply with the published dress code and practice proper hygiene and grooming at all times. Students not in compliance with dress code may not be allowed to clock in until coming into compliance or they may be asked to clock out and change into dress code before attending classes.
10. Self-applications do not receive educational credit. Students are to come to school dressed and groomed and are expected to use their own personal products away from the clinic floor to touch up their hair or make-up. Kit items and clinic floor supplies are for educational services only.
11. Follow all state laws and regulations at all times while on the school premises.

Rules and boundaries are set in an effort to provide a quality working and learning environment, adhere to the governing agencies the school must abide by, and provide excellent customer service to clients. Students not abiding by the rules will be subject to progressive disciplinary action. Not abiding by the rules may lead to receipt of infractions, in-school suspensions, out of school suspension, probation or dismissal from school.

ATTENDANCE POLICY:

Students clock-in and out each day to record hours of attendance. It's the Students responsibility to verify their status as present or absent. Failure to do so may result in loss of hours. To receive clock hour credit the student must clock in when arriving at school and when leaving school, and when leaving or returning from lunch and/or breaks. Full Time Students are required to take a 60 minute lunch each day. Shorter lunch breaks may be approved by instructor. Students must be clocked out when taking a break or at lunch. Students must clock out when exiting the building or entering the break room for any reason and for any amount of time.

It is imperative that students' attendance is reliable in both Theory and Clinic in order to enable timely program completion, accomplish thorough and complete training in all subjects, and ensure excellent customer service to DuVall's clients. Failure to comply with minimum expectation will result in progressive disciplinary action.

Minimum expectation for Theory and/or overall attendance is 67% in any given month. Attendance is measured at monthly Academic Advising as well as evaluations of Satisfactory Academic Progress. A student may be placed on probation for either unsatisfactory monthly attendance average, cumulative attendance average, or theory attendance average. As with any probation, if the student fails to correct the problem by the end of the probationary period, he or she will be placed on a second probationary period. Failure to correct the problem by the end of the second probationary period will result in progressive disciplinary measures, including termination.

Students are required to notify the front desk/teacher via phone, facebook, or in person in advance if they are not going to be present during any time they are scheduled to be in school. Failure to communicate in advance may be addressed with progressive discipline measures including verbal and written advisement, suspension, probation, and termination. Absenteeism affecting customer service to DuVall's clients will have more severe consequences. If a student declines to perform any service or activity for which they are assigned, they must clock out and leave the school property.

ATTENDANCE POLICY FOR VA STUDENTS:

Students using veteran's benefits to attend DuVall's School of Cosmetology will have attendance monitored until the time the student drops, graduates, or completes the program. Unsatisfactory attendance will be reported to the DVA even if the VA student has completed the required number of hours to complete and no refund is due the student and /or refund sources.

Therefore, the attendance policy will apply throughout the student's stay in school. All violations of the attendance policy or failure to meet SAP will be reported to DVA on VA Form 22-1999b within 30 days at such time the student exceeds the allowed number of absences or at the SAP evaluation point.

ANTI-HARASSMENT POLICY

DuVall's School of Cosmetology fully supports an environment of mutual respect for the rights of others. Students and staff are encouraged to form and express their own opinions; however, a student's exercise of free expression must not interfere with the rights of others. Students are required to sign the Anti-Harassment Policy prior to starting school.

SEXUAL MISCONDUCT AND PREVENTION

Sexual misconduct, harassment, assault or violence will not be permitted at DuVall's School of Cosmetology. Such a violation can be considered a criminal act under Texas Law. Sexual harassment is defined as unwelcome advances, request for sexual favors, and other verbal and physical conduct of a sexual nature.

SOCIAL MEDIA POLICY

Social media and networking are encouraged as a tool of the industry. In an effort to keep things professional, DuVall's has chosen to participate as a Bloom Premium Partner School, and has provided every student and staff member a bloom account in which to interact with for industry-related media. All other media (facebook twitter, pintrest, linked in, etc) which the school has an account for, all staff and students may connect to the school account, but staff are restricted from directly connecting to active students and vice versa. These accounts are advertisement for the school and available for any of our staff, students, customers, potential customers and business associates to participate in, therefore we ask everyone to refrain from venting about school situations on any social media. Please direct your concerns through the proper channels to handle them. Any negative publicity regarding the school will be requested and expected to be removed.

CONFIDENTIALY POLICY

Information about contract, disciplinary actions, advisements, etc, may not be shared with other parties. In addition all student advisement or conversations between any student and administration is confidential and private. Do not discuss your contract or interaction with other parties among fellow students. Violation of this policy may lead to corrective action, up to and including termination.

COPYRIGHT INFRINGEMENT POLICY

Copyright infringement is the act of exercising, without permission or legal authority, exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer sharing, may subject the student to civil and criminal liabilities. For more information, please visit www.copyright.gov. Students who engage in illegal downloading or uploading of files, unauthorized peer-to-peer sharing of files, or unauthorized distribution of copyrighted materials using the school's technology system shall be subject to the school's rule enforcement policy resulting in no less than in school suspension.

DISCIPLINARY POLICIES

Although this is adult education, all adults realize that there are organizational structures and guidelines that will be required. It is our desire that the student would accept the authority and leadership of the faculty and staff and come into compliance upon making a student aware of a breach of compliance. However, if necessary, further action will be taken by the School. Action may include advisement, sending the student home for the rest of the day, out of school suspension, probation, or termination. Each violation is subject to case by case basis and will be handled in that manner. Every student will be made aware of the violation, plan of action that will be determined and signed off on by the staff, instructor, or administration involved, and document time frame of resolution. The student has an opportunity to sign acknowledgement of the receipt of this determination, however, the students acceptance or rejection of the opportunity to sign does not change the decision or action that the school representative determined. TDLR violations are serious and will be handled in that manner. TDLR violations will not be given a verbal write up due to the severity. Multiple violations of any kind may result in termination, whether they are for the same issue or not. Students must understand that any infraction of the Standards of Conduct, General Policies or the Enrollment Agreement could result in any of the following disciplinary actions:

ADVISEMENT – VERBAL OR WRITTEN: A conversation or written advisement of the expectation of conduct.

PROBATION: A Student may be placed on probation for a specified time for any infraction of the Standards of Conduct, as well as any issue which is disruptive and non-conducive to a learning environment (refusal to participate, not meeting theory and/or clinic attendance expectations, etc) If the Student does not correct the problem, he/she will be placed on a second probation.

If the problem is not corrected during the second probationary period, he/she may be suspended or dismissed permanently at the discretion of the school administration.

OUT OF SCHOOL SUSPENSION: Enrollment may be immediately suspended for 1 to 30 days for an infraction of the Standards of Conduct or General Policies at the discretion of the school administration. No adjustment of scheduled hours is made regarding contract dates or cumulative attendance percentages. Students who commit multiple infractions may be terminated from school.

DISMISSAL - TERMINATION: Enrollment may be terminated at the discretion of school administration for any reason deemed necessary to maintain the positive educational environment and general objectives of the institution or for any of the following reasons:

- Non-conformance with the Standards of Conduct, General Policies, or Enrollment Agreement
- Non-conformance with the state laws and regulations governing Schools and Students
- Non-compliance with the school's Satisfactory Academic Progress Policy
- Multiple infractions
- An action that causes or could cause bodily harm to a client, visitor, student or employee of the school
- Theft (theft of services; theft from the school including equipment, products, or kit items; theft from students, staff, clients, or visitors)
- Engaging in the manufacture, distribution, dispensation, possession or use of drugs or alcohol
- Immoral or improper conduct
- Willful destruction of school property

Disciplinary decisions may be appealed by submitting a clear, concise written statement containing all pertinent data and facts. The appeal will be reviewed by the school administration and the Student will be notified of the decision within 30 days of the receipt of the appeal. Students are encouraged to voice their grievances with school Director or the corporate office by means of the Institution's Grievance Procedure. Concerns which are not made known to the applicable management personnel cannot be effectively addressed in a timely manner.

GRIEVANCES

In accordance with the institution's mission statement, DuVall's School of Cosmetology will make every attempt to resolve any Student complaint that is not frivolous or without merit. Complaint procedures will be included in new Student orientation, thereby assuring that all Students know the steps to follow should they desire to register a complaint or request an appeal at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine frequency, nature, and patterns of complaints for the institution. The information will be used in evaluating institutional effectiveness and outcomes. Contact the campus administration office to obtain the designated form and detailed procedures for how to properly register a grievance/appeal.

ACADEMIC ADVISING

To determine academic progress, students are assigned theory study and a minimum number of practical performances. Theory is evaluated after each unit of study. Practical performances are evaluated as completed and counted toward course completion ONLY when rated as satisfactory. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Three comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures, performance standards established by the state licensing agency, and set forth in practical skills evaluation criteria adopted by the School. Students must maintain a cumulative theory grade average of at least a C or 75% and pass a written and practical final exam prior to graduation. Students should make up failed or missed tests and incomplete assignments within 2 weeks. Numerical grades are given on the following scale:

WRITTEN and PRACTICAL GRADES

A =	93- 100	Excellent
B =	85 - 92	Very good
C =	75 - 84	Satisfactory
D =	0 - 74	below standards – Unsatisfactory

Students are advised regarding progress and achievement on a monthly basis. Areas of focus for academic advising include attendance, grade point average, practical skills, communication skills, and personal development. Student strengths and areas needing improvement are identified and a plan of action is discussed.

Advising regarding licensing, regulations, reciprocity, employment and continuing education opportunities is available to students as it is needed. The administration office has a list of agencies for referral if a student needs other assistance.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory progress in attendance and academic work is a requirement for all students enrolled in this school. Federal regulations require all schools participating in state and federal financial aid programs to monitor SAP. These standards are applicable to all students attending DuVall's School of Cosmetology and are provided to each student prior to enrollment.

SAP STANDARDS

This school requires its students to maintain Satisfactory Academic Progress (SAP) as established by this school, in order to continue to matriculate at the school and to continue to be eligible to participate in the federal government's Title IV financial aid programs. These standards apply to all students, regardless of the source of the student's funding, and to all students, regardless of their status (full-time or part-time). All students must comply with the following standards:

- All students must maintain a cumulative academic average of "C" (75% or better on all tests, work projects, practical applications) and other required course work. The school has established a minimum acceptable level of academic progress equivalent to a C or 75% grade point average in both written and practical skill requirements.
 - Numerical grades are considered according to the following scale:
WRITTEN and PRACTIAL TEST
A 93 -100 EXCELLENT
B 85 - 92 VERY GOOD
C 75 - 84 SATISFACTORY
D 0 - 74 NEEDS IMPROVEMENT; DOES NOT MEET STANDARDS
- A student must maintain an average cumulative attendance of 67% or better. The attendance percentage is determined by dividing the total hours completed by the total number of hours scheduled.
 - Credit hours from another institution that are accepted toward the student's education program must count as both completed and scheduled hours when calculating the cumulative attendance ratio.
- In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness.
- All students must complete the program within 150% of the published length of the program. The time frame will be measured in terms scheduled hours.
 - A leave of absence will extend the student's contract period, and maximum time frame, by the same number of days in the leave of absence.
 - All credit hours at the institution and transfer credit hours must be counted toward the 150% eligibility.

The Satisfactory Academic Progress Policy contains the following elements:

- Attendance Progress Evaluations
 - Cumulative Attendance Percentage
 - Maximum Time Frame
- Academic Progress Evaluations
- Determination of Progress Status
- Warning /Appeal/Probation
- Re-establishment of Satisfactory Progress
- Reinstatement of Financial Aid

EVALUATION POINT:

Students are evaluated **at the end of each payment period in an academic year**. A payment period is based on hours completed and is defined to be the mid-point and end point of each academic year (900 hours and 26 weeks). If the number of hours remaining is less than a full academic year, the payment period will be at the mid-point and end point of each partial academic year. Students are evaluated at the following evaluation points.

1500 hour full time program:

- 450 completed hours 13 weeks (end of 1st payment period)
- 900 completed hours 26 weeks (end of 2nd payment period)
- 1200 completed hours 35 weeks (end of 3rd payment period)
- 1500 completed hours 43 weeks (end of 4th payment period)

1500 hour full time 3 day program:

- 450 complete hours 17 weeks (end of 1st payment period)
- 900 completed hours 34 weeks (end of 2nd payment period)
- 1200 completed hours 46 weeks (end of 3rd payment period)
- 1500 completed hours 56 weeks (end of 4th payment period)

1500 hour part time program:

- 450 completed hours 18 weeks (end of 1st payment period)
- 900 completed hours 37 weeks (end of 2nd payment period)
- 1200 completed hours 49 weeks (end of 3rd payment period)
- 1500 completed hours 62 weeks (end of 4th payment period)

750 hour full time program:

- 375 completed hours 11 weeks (end of 1st payment period)
- 750 completed hours 22 weeks (end of 2nd payment period)

750 hour 17.5 hr/week part time program:

- 375 completed hours 22 weeks (end of 1st payment period)
- 750 completed hours 43 weeks (end of 2nd payment period)

750 hour 24.5 hr/week part time program:

- 375 completed hours 15 weeks (end of 1st payment period)
- 750 completed hours 31 weeks (end of 2nd payment period)

Evaluation points for students with transfer hours shall be calculated at the point at which the hours received by the school combined with the hours completed by the student equates to the hours listed above. Calculations shall include the transfer hours as attempted and completed hours.

MAXIMUM TIME FRAME

Published Program Hours	Maximum Time Frame 150% scheduled weeks	Maximum Time Frame 150 % scheduled hours
COSMETOLOGY-1500 HOURS		
1500 FT -- 35 hrs/week; 43 weeks	65 Weeks	2250
1500 FT 3 Day --27 hrs/week; 56 weeks	84 Weeks	2250
1500 PT -- 24.5 hrs/week; 62 weeks	93 Weeks	2250
ESTHETICS -- 750 HOURS		
750 FT -- 35 hrs/week; 22 weeks	33 Weeks	1125
750 PT -- 17.5 hrs/week; 43 weeks	64 Weeks	1125
INSTRUCTOR – 750 HOURS		
750 FT -- 35 hrs/week; 22 weeks	33 Weeks	1125
750 PT (Est) -- 17.5 hrs/week; 43 weeks	64 Weeks	1125
750 PT (Cos)—24.5 hrs/week; 31 seeks	47 Weeks	1125

The calculation for Maximum Time Frame (150%) includes all transfer hours that have been attempted for the program including those obtained at other institutions even though not all hours are accepted.

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 67% of the scheduled hours. For a Leave of Absence, the contract end date will be extended by the number of days in the Leave (LOA) thereby also extending the end date of the maximum time frame.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at each evaluation point are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Students who have not met cumulative attendance and the grade point average required are considered not meeting Satisfactory Academic Progress. Status remains the same until the next evaluation point. An evaluation form will be kept on file for each evaluation point and is available to the student upon request. Students determined not to be making Satisfactory Academic Progress will receive written notification.

WARNING / PROBATION / APPEAL

Students who fail to meet minimum requirements (67% cumulative attendance and 75% GPA) at the end of a payment period will be placed on a **Financial Aid Warning**. Any student on Financial Aid Warning may continue to receive assistance under the Title IV HEA programs for one payment period. Consecutive warnings are prohibited.

It is expected that a student will use the Financial Aid Warning payment period to correct the Attendance and or GPA issues and be restored to the status of accomplishing Satisfactory Academic Progress. However, if the student is not meeting Satisfactory Academic Progress at the end of the Financial Aid Warning Period:

- The student will not be eligible to receive Title IV, HEA funds but may continue on a cash pay basis with an approved payment plan. Arrangements for payment must be approved within 10 school days of notification failure to meet SAP for two consecutive payment periods.
 - The student may appeal and if the appeal is granted, the student will be placed on **Financial Aid Probation** for one payment period. Any student on Financial Aid Probation may continue to receive assistance under the Title IV HEA programs for one payment period only, however, in order to be eligible to retain the funds on account the student must regain SAP at the next evaluation point. Failure to do so will result in refunding the Title IV HEA funds and the student will be required to make satisfactory payment arrangements.
- Regardless of how the account balance is satisfied, the student will be on probationary status throughout the next payment period and in order to continue their enrollment at the school will be required to meet specific criteria of an Improvement Plan to assist them in regaining SAP and Title IV eligibility.

APPEAL PROCESS:

If a student is determined to not be making satisfactory academic progress due to cumulative attendance percentage, grade point average, or maximum time frame, and if it is mathematically possible for the student to improve the results to the minimum standards required to meet Satisfactory Academic Progress by the next evaluation point, the student has the right to appeal the determination. Grounds for appeals for failure to meet Satisfactory Academic Progress are limited to death of a relative, injury or serious illness of a student, or other extreme special circumstances. They are not to be confused with an excess of normal absences.

1. The school will provide the student within 10 days following the action of the school, a written statement of fact, which is the basis of the action of the school.
2. The Appeal must be done within 10 days of the receipt of such written notice. Students choosing to remain in school while requesting an appeal will be responsible for charges accrued whether or not the appeal is granted.
3. The student may appeal the action of the school by requesting such appeal in writing to the School Director along with supporting documentation showing the reasons why the decision should be reversed and request a re-evaluation. The appeal must include:
 - Why he/she failed to make SAP (Appeals for failure to meet Satisfactory Academic Progress are limited to death of a relative, injury or serious illness of a student, or other extreme special circumstances).
 - Supporting verifiable documentation
 - An explanation of what has changed that will allow the student to make SAP at the next evaluation point.
 - A suggested plan of action to accomplish the SAP minimum standards by the next evaluation point and a statement of personal commitment to follow an agreed upon plan.
4. The student has a right to make a personal appearance before the School Director.
5. Should a student fail to appeal the decision, the decision will stand.
6. Notification of the school's action on the appeal will be retained in the student file and will be sent to the student within 30 days.
 - If denied, the reason will be stated.
 - Should the student prevail upon appeal, they will be placed on Financial Probation. The student is still considered NOT making Satisfactory Academic Progress, but will be eligible for Title IV, HEA funds for that payment period.

LEAVE OF ABSENCE OR WITHDRAWAL

All students who have withdrawn or taken a leave of absence and choose to re-enter into a course will be placed under the same satisfactory or unsatisfactory progress status prevailing at the time the student withdrew or went on a leave of absence.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements at the next evaluation point.

REINSTATEMENT OF FINANCIAL AID

Title IV, HEA funds will be reinstated to qualified students who have received a financial aid probation as a result of a successful appeal or who have re-established satisfactory academic progress by meeting the minimum cumulative attendance and academic requirements at the end of a payment period and are able to complete their program within the maximum time frame.

INCOMPLETES, REPETITIONS, NONCREDIT AND REMEDIAL COURSES

Incompletes, Repetitions, noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.
